Classroom Agenda and Video Displays

Summary
Outside of the classrooms at Evans Halls are agenda displays to support classrooms and events. SOM IT supports these displays as part of the conference and event center infrastructure.

Features
- Displays classroom or event information
- Controlled centrally
- Allows for rich data and information about an event, such as agenda, speaker and more.

Who can use it?
This is part of the SOM conference and event center infrastructure. It is used as part of the classroom and event management system.

How much does it cost?
This service is available at no charge to the Yale School of Management community.

How do I get it?
For those scheduling conference events, information is collected via the Event Management System for display outside of a given room.

Related Policy and Procedures
- All users of Yale University computing and networking facilities are expected to read and abide by the Information Technology Appropriate Use Policy. For additional information, please familiarize yourself with the Policies and Procedures related to HIPAA Security.
