TurningPoint Tutorials

Summary

Use TurningPoint Cloud to incorporate interactive questions within PowerPoint presentations, poll your audience on-the-fly, over top of any application or deliver self-paced surveys, evaluations and tests. Use this article for the most current TurningPoint User Guides and other current information.

Step-by-step guide

To get help using TurningPoint:

1. Access TurningPoint’s Quick Start Guides here
2. If you’re using a loaner laptop that was pre-loaded with TurningPoint software, view the TurningPoint for PC User Guide Version 5.2 here
