Starting CrashPlan Backup - Windows

If CrashPlan hasn't been started on your computer, you can begin backing up by:

1. Click the Start button
2. Type CrashPlan and launch App
3. Choose Existing Account Radio button
4. Username: Yale NetID. You do not need Yale\ for this
5. Password: Your Yale password.
6. PROe Server address: cryo.som.yale.edu:4282
7. Sign in
8. Next to CrashPlan PRO Server click Start Backup
