Classroom Video Conferencing

Media Services can route a video conference call to any classroom in Evans Hall. In addition, we can route to Beinecke and Zhang Auditorium.

Step-by-step guide

If you would like to use video conferencing in any of these areas:

1. Submit a request through Room Reservations under the Media Services section for the room you are booking. Please include the following with your video conferencing (VC) request:
   - Course number/Club or Event Name
   - Room Number or Name
   - Note the specific date & time
   - If the request for VC is needed within 48 hours please send the request with "High Priority"
