Slack Terms of Service

By using Yale SOM’s Slack Enterprise Grid, you must adhere to the following terms of service.

Terms of Service

1. You must not share moderate or high risk data within Slack.

Data Risk Classification

For more on classifying data’s risk level, visit: https://your.yale.edu/technology-yale/data-security/protect-your-data#classification

2. Your usage of Slack must adhere to Yale’s ITAUP: https://your.yale.edu/policies-procedures/policies/1607-information-technology-appropriate-use-policy

3. Your usage of Slack must adhere to The Yale SOM Honor Code: https://bulletin.yale.edu/bulletins/som/rights-and-responsibilities-students#the-yale-som-honor-code
