Canvas: Yale Instances

Determining what Yale instance within Canvas a course would be located

Yale Canvas Instances:

Instances that Canvas courses will be located in by users role

1. **Yale** is the instance where Banner Fed courses reside.
2. **Yale Bulldogs** is the instance where non-Banner fed courses that have only Yale NetID users enrolled reside.
3. **Yale University** is the instance where non-Banner fed courses that have a mix of Yale NetID users and “global users” enrolled reside.
