Website Hosting and Support

The SOM Information Technology Services department provides a variety of computing resources to the SOM Community. If you need a web site for a group, department, club or alumni, it can be requested here, along with support.

<table>
<thead>
<tr>
<th>Club Pages</th>
<th>Student clubs are an integral part of the Yale SOM community. Clubs provide forums for discussion and opportunities for action, and they foster students' leadership and business skills via consulting engagements, workshops, round-tables, conferences, and fundraisers. Only SOM recognized clubs can request a web page for their group or function.</th>
</tr>
</thead>
<tbody>
<tr>
<td>Alumni Chapters</td>
<td>Yale SOM alumni are part of a thriving community committed to fulfilling the school's mission of educating leaders for business and society. SOM IT hosts a variety of special alumni pages. You can request an alumni page here.</td>
</tr>
<tr>
<td>Personal Pages</td>
<td>Personal pages for members of the SOM community can also be requested</td>
</tr>
<tr>
<td>Website Support</td>
<td>Need assistance with your web site? We can help! SOM IT also provides support for the portal infrastructure (Megasites), Drupal, and any applications running on it to support the SOM web landscape.</td>
