How to Use Zoom App in Classroom

To Start

After you launch the app, you have two options. You can select "Join a Meeting" or "Sign In." If you just want to join a meeting-in-progress click on "Join a meeting." If you would like to log in and start or schedule your own meeting, click on "Sign In."

**Note:** The client version number is located on the bottom of this dialog box.

Logging In

To login, you can use your zoom account email and password. We recommend that you "login using SSO."

**Note:** if you have a Zoom account but cannot remember your password. Please select "Forgot your password"
If this is the first time, you will get the CAS login screen, where you will enter your NETID and Password.

Once you have logged in, you will see the main dialog box as shown below. The default tab is “Home”.
