RACI

A RACI sheet represents the Project Team Roles that are responsible for Responsible, Accountable, Informed and Consulted. Thus, the acronym "RACI" stands for:

- Responsible….."R" “Subject matter expert on the ground”, complete tasks; responsible for action/implementation.
- Accountable….."A" “The Buck Stops Here”, ultimately answerable for the activity or decision. This includes “yes” or “no” authority and veto power.
- Consult……"C" “Above the Forest”, consulted prior to a final decision or action.
- Inform….."I" "In the sky” This is individual (s) who needs to be informed after a decision or action is taken. They may be required to take action as a result of the outcome.
