Poll Everywhere

Summary

Poll Everywhere is a cloud based polling solution designed for ease of use and flexible classroom polling for courses of all sizes. Allowing for a wide range of questions types, Poll Everywhere is an easy way to engage students and receive feedback via short answers, multiple choice, clickable images, up voting and many others.

Features

- Polls can be run from the Poll Everywhere website or integrated into a PowerPoint, Keynote, or Google Slides. https://www.polleverywhere.com/how-it-works
- Students can use a computer, smart device or text message to respond quickly to polls in class.
- Polling can be done anonymously with students replying at your custom response URL with no need to have an account.
- You can utilize an integration with Canvas to grade polls, track participation, and provide accounts to your students with a quick roster import process.

Who can use it?

This service is available to SOM faculty and staff

How much does it cost?

This service is available at no charge to the Yale School of Management community.

How do I get it?
