Surveys with Qualtrics

Summary
When a survey is needed in the course of research, one can be created and managed with Qualtrics, a cloud-based survey tool. SOM has a subscription to Qualtrics online and members of the community can use it as needed (udler).

Features
- Create a Qualtrics account for use while at SOM
- Create simple or complex surveys
- Extensive online help through Qualtrics
- Use of pre-defined surveys to help get you started
- Online training and webinars available in the use of Qualtrics

Who can use it?
This service is available to the entire SOM community doing surveys.

How much does it cost?
This service is available at no charge to the Yale School of Management community.

How do I get it?
Go directly to the Yale SOM Qualtrics Site and sign up for your account.

Related Policy and Procedures
- All users of Yale University computing and networking facilities are expected to read and abide by the Information Technology Appropriate Use Policy. For additional information, please familiarize yourself with the Policies and Procedures related to HIPAA Security.
