International Data Plans

Internal information on cell phone and mobile international data plans

Information

AT&T

As of July 1, 2019 ATT has enabled International Day Pass permanently for faculty/staff utilizing their service. The charges apply when the phone is used in an allowed location.

AT&T estimate your data usage

<table>
<thead>
<tr>
<th>Day Pass</th>
<th>$10/day</th>
<th>Provisioned for 100+ International Day Pass countries. Please confirm service is available. If not, ask which International Passport package does the user want before submitting to Cellular Telecom with the information regarding the location the faculty/staff is traveling too.</th>
</tr>
</thead>
<tbody>
<tr>
<td>Passport Silver</td>
<td>$60</td>
<td>1GB usage (overage charge = $.005/kb)</td>
</tr>
<tr>
<td>Passport Gold</td>
<td>$120</td>
<td>3GB usage (overage charge = $.005/kb)</td>
</tr>
</tbody>
</table>

Making International calls while in the US

AT&T customers: AT&T World Connect option can be added to their phone plan. It is an additional $3.99 monthly fee and can be requested through a ServiceNow request to Yale ITS.

Verizon:

<table>
<thead>
<tr>
<th>Verizon iPad of AirCard Int'l w/ 100MB</th>
<th>$71.00 Monthly</th>
<th>Each additional 100MB of Int'l data at $25</th>
</tr>
</thead>
<tbody>
<tr>
<td>Verizon Smart Phone w/ Int'l Bundle</td>
<td>$79.00 Monthly</td>
<td>400 pooled voice minutes, unlimited domestic &amp; Int'l data, unlimited text messaging</td>
</tr>
</tbody>
</table>

Verizon customers: International value plan option. It is an additional $3.99 or so for this option.
