Attendance with CardSwipr

Summary
SOM Information Technology has attendance software in order to take attendance at meetings or events on campus.

Features
- Program that allows users to have their guests log into an application to keep track of attendance.
- Colored lights indicate when the device is ready for the next swipe.
- Electronic recording of attendees at an event including first name, last name, UPI, NetID, and swipe-in time.
- Downloadable spreadsheet of attendees at the end of the event.

Who can use it?
The Service is available to the SOM Community for events attendance.
Pre-requisites: You must be on campus and logged into YaleSecure wireless.
Read more at:

How much does it cost?
This service is available at no charge to the Yale School of Management community.

How do I get it?
You can contact SOM IT at 203-432-7777 or via email at somit@yale.edu in order to request pickup and setup of the CardSwipr device.

Related Policy and Procedures
- All users of Yale University computing and networking facilities are expected to read and abide by the Information Technology Appropriate Use Policy. For additional information, please familiarize yourself with the Policies and Procedures related to HIPAA Security.
