Video Conferencing Rooms

Evans Hall has two dedicated conference rooms equipped with video conferencing equipment.

Step-by-step guide

To book a video conference room at Evans Hall

1. These rooms are self service rooms that you may book via Room Reservations.
2. There are instructions in the room on how to operate the system. It is suggested that you stop by the room to familiarize yourself with the equipment and process of using the equipment before going live with a video conference.
3. Technical issues with the room can be reported to SOM IT by emailing somit@yale.edu to create a Service Desk ticket or call the SOM IT Help Desk at 203-432-7777 for emergent issues.
