Who can use it?

Anyone who requests an account through WRDS site and uses research computing at SOM.

How much does it cost?

This service is available at no charge to the Yale School of Management community.

How do I get it?

Visit the WRDS site and request an account to access the WRDS data subscribed to by SOM. If the data set is not among the ones you are seeking, contact SOM IT via email at somit@yale.edu and the SOM IT Systems group will provide support.

Related Policy and Procedures

- All users of Yale University computing and networking facilities are expected to read and abide by the Information Technology Appropriate Use Policy. For additional information, please familiarize yourself with the Policies and Procedures related to HIPAA Security.
