Staff FAQ

How will I know if I will be expected to report to campus?

• All SOM staff are authorized to be on campus now. Yale ID card key building access has been restored to all SOM buildings for our staff and faculty, as of June 1, 2021. Your department leader will be in touch about your expected return to work date by early July, if not sooner.

• Health and safety precautions individuals must follow are based on your vaccination status, and may evolve. Check the COVID-19 Vaccination Program page for current guidelines.

What if I have a safety protocol question or want to report a potential issue?

• If you see violations of the rules, email SOMfacilities@yale.edu, or call SOM Facilities at 203-432-6000. You can also call the Yale hotline at 877-360-YALE, or the state hotline at 211. Yale also has a website for online reporting.
