Grubhub - Yale Corporate Account

Information about Grubhub - Yale Corporate Account - Virtual Meeting - External Funds only. You must submit a Yale SOM Jira Ticketing System.

Yale Procurement and School of Management is excited to announce that Grubhub is now an approved supplier by establishing a Yale-wide corporate account. This new agreement allows Clubs with external funds only to order and have food delivered to VIRTUAL meetings across the US. The club's external account will be responsible for the amount spent on eligible food and beverages. As this is a new and only option, we will no longer reimburse individuals using personal funds to buy food.

Benefits –

- Provide meals for virtual meetings
- Control budget –
  - Set amount (student can self-pay overage)
  - Timeframe (one-time use)
- Schedule recurring meetings (Voices, Closing Bell)
- Invoice – by event for easy tracking and expensing
- Grubhub will not allow alcohol to be purchased, full order becomes self-pay

1. Club Leader/Budget Officer creates a calendar event in CampusGroup at least 10 days in advance, must include a note that virtual meal is requested.
