Return to Yale Checklists

The following statements describe key aspects of what we anticipate being required this semester. Policies and procedures may change as we receive new guidelines and information from university and state officials.

For Students (Fall 2021)

Before arriving on campus:

☐ Sign: Yale Community Compact for Fall 2021 and Spring 2022
☐ Pre-Arrival Testing: Requirements vary depending on vaccination status, etc. Find info here.
☐ Quarantine: According to State of Connecticut and Yale protocol
☐ Get Tested: Requirements vary depending on vaccination status. Find info here.
☐ Complete: COVID-19: Return to Campus Training

Every Day on Campus

Individuals with vaccination exemptions or who are in the process of becoming fully vaccinated:

- **Twice-weekly testing** is required.
- All unvaccinated individuals must complete the Daily Health Check.
- All individuals, regardless of vaccination status, are required to wear masks indoors while on campus except when an individual is alone in a segregated space, such as when working in a private office or seated in a partitioned cubicle. **Unvaccinated individuals must also wear masks outdoors when six feet distance from others cannot be maintained.** Find full masking guidelines here.

Fully vaccinated individuals:

- **Weekly testing** for fully vaccinated SOM students is required through September 30, 2021.
- All individuals, regardless of vaccination status, are required to wear masks indoors while on campus except when an individual is alone in a segregated space, such as when working in a private office or seated in a partitioned cubicle. Find full masking guidelines here.

All community members:

- **Stay Off Campus or Leave Campus if Ill**: Yale requires individuals experiencing symptoms to stay remote and follow the advice of their health care provider. Contact your primary care provider or the Campus COVID Resource Line - 203-432-6604 (toll-free at 866-924-9253); https://yalehealth.yale.edu/.
- **Other Daily Requirements**: Health and safety precautions individuals must follow are based on your vaccination status, and may evolve. Check the COVID-19 Vaccination Program page for current guidelines.
